10. PROJECT OFFICER UPDATE

The Brussels-based Project Officer post is currently being advertised with a closing date of 30 April 2010.

To date, 28 April 2010, we have received just under 200 applications. These will be filtered down by the Executive Committee to decide on a small selection to interview. Kristof De Smet and Jim Thompson will be holding the interviews for the post on 12 May 2010.

Hopefully by the time of the General Assembly we will be able to give a further oral update.
