

## **EFAEP General Assembly**

28 May 2010

Porto, Portugal

### **14. DATES OF FORTHCOMING GENERAL ASSEMBLIES**

#### **AUTUMN 2010**

The dates for the autumn 2010 General Assembly have been previously agreed, however, the venue had not. We can now confirm that it will be held in Brussels on Monday 25 and Tuesday 26 October 2010.

The venue will be Mundo-B, where EFAEP currently has a "hotdesk" contract and is in the process of securing permanent office space. This will be an opportunity for member associations to see where EFAEP is hoping to base the Project Officer.

We also hope to be able to arrange a side-event with direct input from the EU.

#### **SPRING 2011**

VNU have offered to host the spring 2011 General Assembly in Frankfurt at the Chamber of Commerce, however, the planning time required for this would necessitate deciding on dates now.

#### **AUTUMN 2011**

ASEP have tentatively offered to hold the autumn 2011 General Assembly in Switzerland.

#### **SPRING 2012**

There are currently no offers or suggestions.

Excluding Switzerland, the only country with a member association that has not held a General Assembly is Finland.
