

## **ENEP General Assembly 7 September 2012, Brussels, Belgium**

### **GENERAL ASSEMBLY AGENDA PAPER 11 FORTHCOMING GENERAL ASSEMBLIES**

#### **SPRING 2013**

It has been previously agreed that the spring 2013 General Assembly will take place on 21-22 March 2013.

However, this date now poses a problem for the grant application deadlines and is also somewhat problematic for the budget (audit) reporting, so we would like to propose that this meeting is moved to 4-5 April 2013.

A location has not yet been agreed for this General Assembly. Suggestions so far include Brussels, Rome, Barcelona and Düsseldorf.

#### **AUTUMN 2013**

We propose the dates of 17-18 October 2013 for this General Assembly.

A location has also not yet been agreed for this General Assembly.
