Position you wish to stand for:	<input type="checkbox"/> President (1 vacancy) <input checked="" type="checkbox"/> Vice-President (3 vacancies)
Involvement with ENEP to present, including dates (max 250 words):	Founding Member after participating at the kick-off meeting in Dusseldorf, December 2002. General Secretary from 2003 to 2011. Attended most of the General Assemblies. Co-organiser of GAs and side events in Bergamo (2006), Florence (2008) and Rome (2013). Management of the ENEP Platform project, including its presentation in a number of occasions. Support in the drafting of position papers on waste management. Management of the ETV Working group.
Involvement with the ExCo to present, including dates (max 250 words):	General Secretary from 2003 to 2011.

Experience relevant to the role you wish to stand for (max 250 words):	I was in the board of ENEP for 8 years as General Secretary. I'm part of the board of AIAT since its establishment in 1999. I'm used to deal with international frameworks, being a University researcher involved in a number of international projects. Full CV is available in the form of ENEP Profile at the following link: <a href="http://www.environmentalprofessionals.eu/index.php?user=248&amp;langid=-1&amp;crc=9b44a4a1df0d2dd9764c1cfd3ea61f7c">http://www.environmentalprofessionals.eu/index.php?user=248&amp;langid=-1&amp;crc=9b44a4a1df0d2dd9764c1cfd3ea61f7c</a>
Your vision for ENEP for the next four years (max 250 words):	My vision is depicted in a number of statements that AIAT has issued in recent General Assemblies. ENEP should find a right balance between Bruxelles centered activities and the creation of services and opportunities for all of its 45.000 individual members. The network should be reinforced and restructured in such a way that each individual member can be involved, if he wishes, and become a node of the whole network.

I declare that I have the endorsement of my organisation to stand as a candidate for the above position on the ENEP Executive Committee.

**Please return this form to the ENEP Co-ordinator by Sunday, 8 September 2013.**
